

The background of the slide is a photograph of two men in a server room. They are both wearing light-colored shirts and dark ties. The man in the foreground is pointing at a laptop screen, while the man behind him looks on. The server racks in the background are filled with equipment and a dense network of yellow and green cables. The entire image is overlaid with a semi-transparent blue filter. A large, curved orange shape is on the right side of the slide, partially overlapping the blue filter.
